

## Welcome to The Rhynd

The Rhynd is more than a wedding venue – it is a place to make your home for the weekend. Gather your friends and family, and celebrate the greatest day of your lives with us!

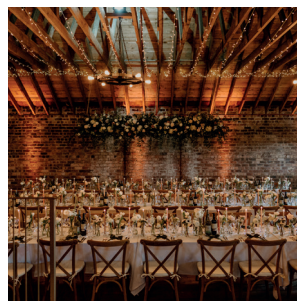

The Rhynd has been in the same family for 100 years and the event space, a converted cattle shed, sits at the heart of everything we do. We're experts at hosting weddings and we're firm believers that every day is different.

# The Spaces

## THE CATTLE SHED

A fully refurbished double-space cattle steading with original steading walls, hay mangers, and troughs – can be used for your event and can comfortably seat 250 guests for dinner on one side with space for a large dancefloor (and additional seating if needed) on the other side.

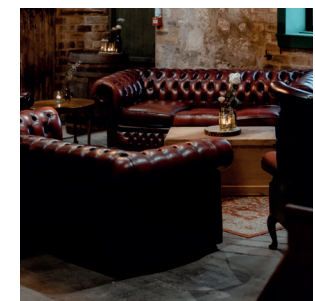

## The Spaces

### THE BAR

A long open room with access into the cattle shed, and a ready-made bar area with plenty of space for a drinks reception, relaxed seating and other unique features such as photobooths or tables piled with cheese! The bar can hold everything from draft beers to wine, spirits and mixers.

# The Spaces

## THE GARDEN

Perfect for outdoor ceremonies, drinks or even garden games, the garden at the event space is a mix of grass and gravel and becomes a wonderful suntrap during the afternoon with shelter from the trees surrounding it.

### THE CEREMONY ROOM

We're in the process of building a ceremony room for the event space. We're moving as fast as we can, but we are at the mercy of Fife Council. For more details, please speak to the team.

## What's Included

### CATERING

You can use any caterers you like at The Rhynd and we have a list of trusted suppliers so that you can find your perfect setup. Our amazing in-house team does most of our weddings, though, as they not only serve the most delicious food, but they can also do tables, chairs, sofas and much more!

### THE BAR

Our bar is run by husband-and-wife team David and Alyson and they can do everything from a fully stocked bar to serving your own wine. Just ask for more details.

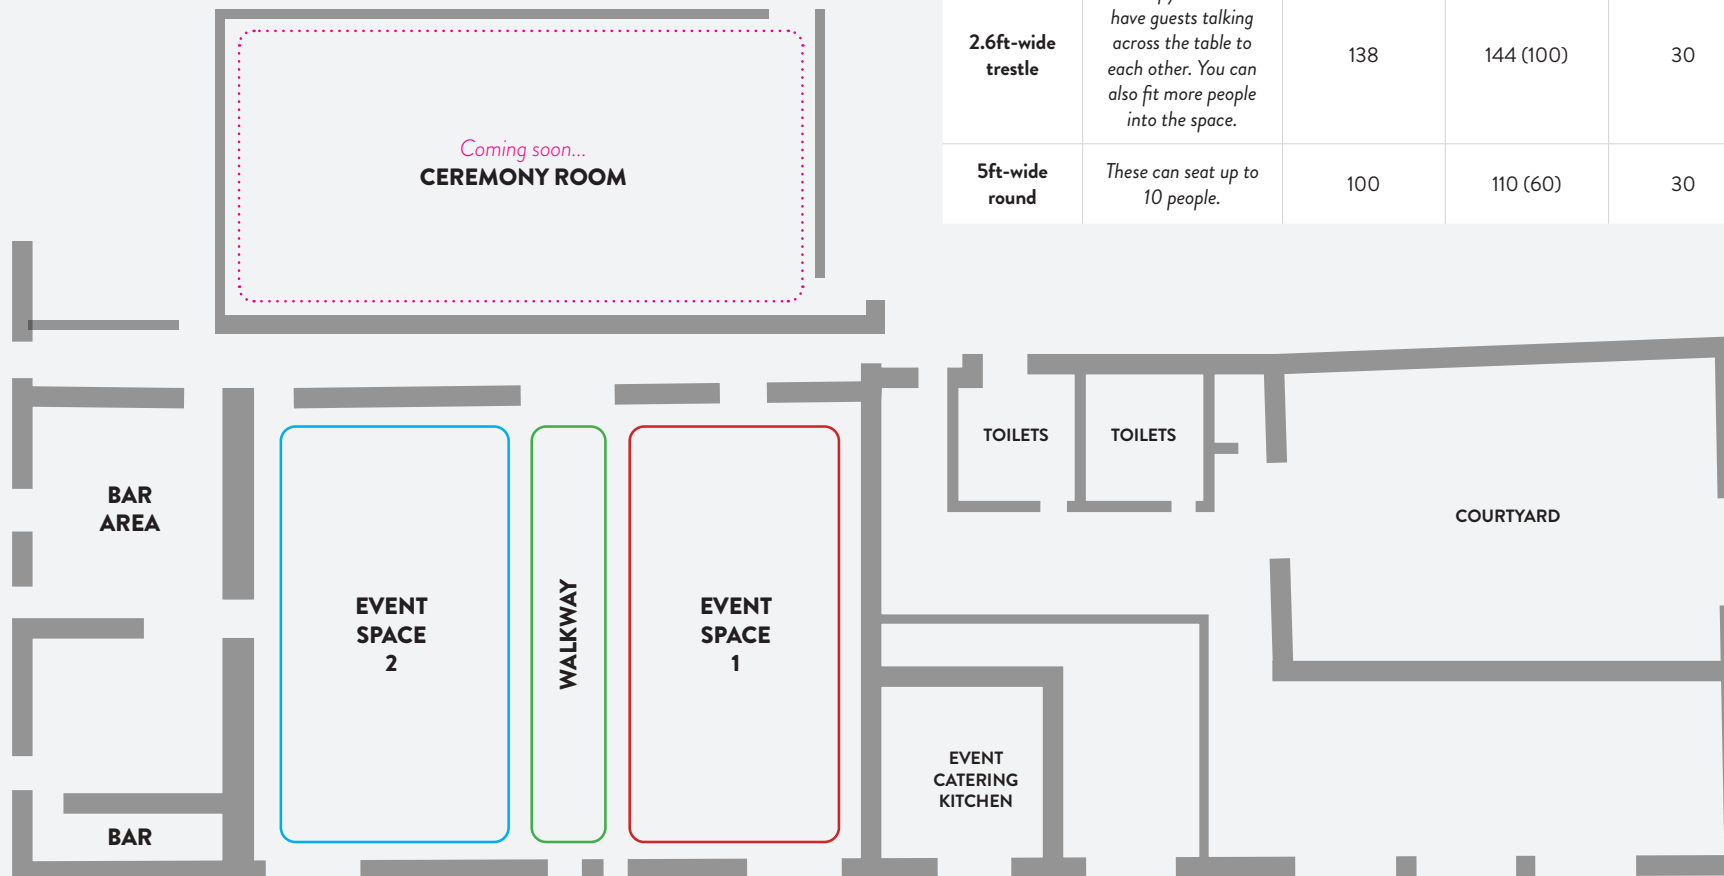

### WEDDING COORDINATOR

We also offer a wedding coordinator service for those that need a bit more help with the planning. It's all about making the day as easy as possible for you.

- The venue (*obviously!*)
- Heating for the day
- Fully stocked loos
- Atmospheric lighting
- The bar run by David and Alyson Burns
- Catering kitchen
- Church pews
- Whisky barrels
- Cleaning of the venue before and after provided you remove all your decor

### THE RHYND ROOMS

We are applying for planning for cabins just 400 metres from the event space. These aren't just any cabins, though, they are luxury hotel rooms in the forest. Spaced more than 60 metres apart, they will be oases of calm and relaxation over the weekend. We are applying for planning for 10 cabins (they each sleep two people), and we are hoping to build four in 2025 depending on planning. For more information, please contact the team.
